INTRO 8 Bars

1st VERSE

I've always wondered 'bout today
Where I'd be and what I'd say
It's a dream of mine come true
Cause I'm about to marry you

1st CHORUS

And when I say I do
It's 'cause I'm so in love with you
And now I give my **heart** to you
When I say
I do

2ND VERSE

Thinking back on when we met
The good Lord had a plan for us I
guess
You sparked a flame inside of me
And to my heart, you found the key

2nd CHORUS

And when I say I do
It's 'cause I'm so in love with you
And now I give my **life** to you
When I say
I do

BRIDGE

*There may be storms along the way
I know you'll clear the clouds away
And chase away my fears
by whispering in my ear
And tell me
it will be okay*

3rd VERSE

And when we're old and going gray
Thinking back on this wedding day.
Two simple words we vowed and
said
Lead us now to what's ahead

3rd CHORUS

And when I say I do
It's 'cause I'm so in love with you
And now I give my **myself** to you

TAG

**With a love that will last forever
I know we'll always be together
It's a love that will always
get us through
When I say...
I do**
